FIRST NAME LAST NAME

Mr Hanifah
Mobile Developer AI
Enigma Software House SDN. BHD
Bandar Baru Selayang
61800, Batu Caves, Selangor, Malaysia

Dear Mr, Hanifah,
I plan to seek a job with Enigma Software House Sdn. Bhd. As a Mobile Developer With AI. I'm just graduated from University of Education Sultan Idris with a Bachelor of Software Engineering(Educational Software) with Honours and obtained 3.65 CGPA. I have found the advertisement about this job in Facebook group and I believe there is a perfect alignment between the goals of your company, my skills and long-term career goals.

I believe that I'm suitable candidate for this position with personal attributes:

- 6 month of working experience in the software house company.
- Excellent in organizational skills, creativity skills and communication skills.
- Excellent to learn new language of programming that compatible with new technology.
- Excellent in web design programming (HTML, CSS, Node.js and JavaScript), able to create more creative and artistic design for UI/UX .

I'm very committed to develop my skills and look forward for the interview to discuss about my application. I am enclosing my resume for your consideration. Please feel free to call me at +60139381521 or email me at dziya.zaman@gmail.com . Thank you for taking the time to review my resume. I look forward to talking with you

Your Sincerely,

Ahmad Solihuddin Dziya`uzzaman
